

Don Rood

It is my pleasure to be here today to introduce my friend Don Rood.

Don Rood was a barber in St. Clair Michigan for Fifty years. Don and his wife have four sons and one daughter. Don and Teri reside during the winter months at Camp Inn in Frostproof.

Don came to Florida in 2000 and quickly fell in love with the Game of Shuffleboard.

Once he started to compete he hardly ever missed a tournament.

As you all know winning is as much about your partners as yourself. Don would like to thank all those who helped him along the way. But even more than that he would like to thank the Shuffleboard Community for all the new friends he has made.

It is with Great Honor and Pride that I present Don Rood, for introduction into the Florida Central District "Hall of Fame".
