

**INTRODUCTION OF LARRY LANE TO THE CENTRAL DISTRICT HALL OF FAME
MARCH 6, 2026**

Larry and his lovely wife Bev have been married 61 years, have 3 children (2 girls and 1 boy), 8 grandkids and 15 great-grandkids. They currently live in Sebring for 8-9 months and then head to Floyd's Knob, Indiana.

Larry's occupation was with the Norfolk Southern railroad for 30 years as a conductor. They came to Florida in 1998 and Larry went to work at the world famous Sebring International Race Track where he met Paul Newman and Mario Andretti.

Larry started playing shuffleboard in 2011. He has contributed many years to the Sebring Recreation Club including three years as president. Larry made the points to qualify for the Hall of Fame with 1st place at Avon Park on January 30, 2026 with his partner Al Culberson. To top the year off Larry won 2nd place in the main event at Lakeland to qualify for the Central District Pro Masters.

Aside from shuffleboard Larry was a great softball player winning a national senior championship. Larry also takes my money at our weekly Texas Hold-em poker game.

It is a great honor and I am very proud to introduce my friend Larry Lane for induction into the Central District hall of Fame.
