

Wanda Tipton's Hall of Fame Presentation

Wanda and husband, Bill, was playing shuffleboard in Texas & Arizona in the early 90's and someone told them they would enjoy playing shuffleboard in Florida. So they came to Florida the next year and Wanda won her first trophy in Frostproof at a Benny Hill sponsor game in 1991.

In 1997 she made pro with her good buddy, Jerry Pointer, in Auburndale. Wanda has played in several Central Districts pro Masters. She was president of the Winter Haven Club for 2 years.

Wanda and Bill have been married for 64 years and have one daughter. They are originally from Illinois, but now are full time residents of Haines City, Florida.

Ladies and gentlemen it is my pleasure to present Wanda Tipton for induction into the Central District Hall of Fame.
